- f. Candidates are required to bring the following to the examination hall:
 - i) Hall Ticket ii) A good Ball Point Pen (Blue or Black) iii) Filled In Online Application Form and iv) **Attested copy** of Caste certificate **(in case of SC/ST category candidates only)**.
- g. Besides the items listed in Serial No. (2.f) above, the candidate should not bring any other material. **This instruction sheet also should not be brought into the examination hall. Candidates should not bring Log books, Tables, Calculators, Pagers, Cell Phones etc., into the examination hall. Any candidate found in possession of any forbidden material will be sent out of the examination hall.**
- h. **Candidate shall first fill in the details concerning the Question Paper Booklet No. and Booklet Code on the OMR Answer Sheet as well as Nominal Roll. The candidate shall read carefully the instructions before he/she starts answering the questions.**
- i. Candidates must remain seated in their allotted places till the completion of the examination. **In no case they will be allowed to leave the examination hall till the end of the examination. Before leaving the examination hall, the candidates must ensure to return the OMR Answer Sheet to the Invigilator. Candidate is permitted to leave the examination hall only when the Invigilator satisfies with the complete receipt of OMR Answer Sheets and allow the candidates to leave the hall. The candidate will be permitted to carry the Question Paper Booklet and carbon copy of OMR sheet along with them after the completion of examination.**
- j. **Every candidate appearing for TS EAMCET – 2017 shall be provided with a specially designed Optical Mark Reader (OMR) response sheet (Answer Sheet) along with its carbon copy on which the candidate shall have to mark his or her answers and other relevant data. The method of marking the answers is illustrated in this section. Candidates are advised to go through the instructions given for marking the answers and other entries on the Optical Mark Reader (OMR) Answer Sheet thoroughly and practice the same at their residence which should make it easy for them to answer in the examination hall.**
- k. **The Optical Mark Reader (OMR) Answer Sheet should be handled carefully by the candidates. They are advised not to fold, wrinkle or tear the answer sheet under any circumstances. Further, the candidates are advised not to scribble or make any marks on the answer sheet except marking the answers and other relevant data at appropriate places on the answer sheet. Any violation of these instructions will automatically lead to the disqualification of the candidate.**
- l. **i) Candidate shall note that they will not be given under any circumstances a second blank Optical Mark Reader (OMR) answer sheet. Hence, they are advised to be careful while handling their answer sheet.**
ii) In TS EAMCET – 2017, the Candidate Name, Hall Ticket Number and Photograph are printed by the Convener on OMR answer sheet as per the data provided by the candidate. Candidate shall ensure that whether he/she received his/her own OMR answer sheet or not. If there is any discrepancy in details or damage to the sheet, the same shall be brought to the notice of the Invigilator immediately.
- m. The Question Paper Booklet given to the candidate shall consist of 160 questions (multiple choice type) in three different sections subject wise with four responses given to each question out of which only one response is correct for the given question.
Candidates shall mark the correct answer in the Optical Mark Reader (OMR) answer sheet by shading in Dark the appropriate circle with Blue / Black Ball Point Pen.
- n. Candidates are required to answer all the questions. All questions carry equal marks. There is no negative **mark** for incorrect answer.

INSTRUCTIONS TO FILL UP OMR ANSWER SHEET

- The candidate should follow the INSTRUCTIONS given on the OMR Answer Sheet, Fill up the information and darken all the Relevant Circles on the OMR answer sheet carefully, otherwise the Answer Sheet will be invalid.
- Use Blue/Black Ball Point Pen only to darken the appropriate circle. Pencil should not be used for darkening the circles.
 - The circles should be darkened fully. Darkening of more than one circle against any question automatically becomes invalid. Darkened circle cannot be changed.
 - A lightly or faintly darkened circle will be treated as a wrong method of marking and will be rejected by the Scanner.
 - There will be four responses for each question in **TS EAMCET-2017** Examination. The candidate has to indicate the correct response to the question by darkening the appropriate circle completely with Ball Point Pen only.

For example, Question No. 128 in the Question Paper Booklet reads as follows:

Question No. 128: What is the atomic symbol of Oxygen?

- (1) O (2) P (3) Q (4) R

The correct answer to this question is (1) O. The candidate has to locate the question No. 128 in the OMR Answer Sheet and darken the circle

- If the candidate does not want to attempt any question, he/she should not darken the circle given against that question. Please do not fold the OMR Answer Sheet and do not make any stray mark on it.

SOME EXAMPLES OF WRONG/CORRECT WAYS OF MARKING ARE AS FOLLOWS:
